

Forever Country

Tenors/basses: Almost heaven, West Virginia,
Blue Ridge Mountain, Shenandoah River,
Life is old there, older than the trees,
Younger than the mountains,
Glowin' like a breeze

*All: Country Roads, take me home
To the place I belong,
West Virginia,
Mountain mama, take me home
Country roads*

Sops/Altos: If I
Should stay
I would only be in your way
So I'll go
Yet I'll know
I'll think of you each step of the way.

Tenors/Basses: All my memories, gather round her
Miner's lady, stranger to blue water
It's dark and dusty, painted on the sky
Misty taste of moonshine,
Teardrops in my eye

*All: Country Roads, take me home
To the place I belong,
West Virginia,
Mountain mama, take me home
Country roads*

Sops/Altos: On the road again
All: Like a band of gypsies,
we go down the highway.

Sops/Altos: We're the best of friends
All: Insisting that the world keeps turnin' our way
And our way.

*All: Country Roads, take me home
To the place I belong,
West Virginia,
Mountain mama, take me home
Country roads*

Sops/Altos: Oh I hope life treats you kind
And I hope you have all you dreamed of.

Basses: I wish you joy and happiness

Tenors: But above all this I wish you love.

Sops: And I

Sops/Tenors: Will always love you, I

Sops: Will always love you.

Alto/Ten/Bass: Take me home

Country roads,

Take me home, country roads

Sopranos: And I will always love you. I

Will always love you.

And I will always love you I

Will always love....you.

Basses: On the road again.

Alt/Ten: Take me home

Bass: I just can't wait to get on the road again.

Alt/Ten: Take me home country roads

Ten/Bass: The life I love

Is makin' music with my friends

Alt/Ten: Country roads, take me home

Bass: Oh I can't wait to get on the road again.

Alt/Ten/Bass: Country roads.

I will always love you.
